Shipping, Returns & Cancellation Policy

1. SHIPPING

1.1 Service Area

We ship to addresses within the contiguous 48 United States. We do not ship to Alaska, Hawaii, U.S. territories, or international destinations. If we are unable to ship to your location, we will contact you by phone or email to discuss your options.

1.2 Shipping Rates

Shipping is charged at a flat rate per product. Rates vary by item and will be displayed during checkout before your order is finalized.

1.3 Small Parcel Shipments (FedEx / UPS)

Items that meet standard size and weight thresholds are shipped via FedEx or UPS. Most small parcel shipments do not require a signature upon delivery; however, some high-value items may require one. You will receive a tracking number by email once your order ships.

1.4 Freight Shipments (Large or Oversized Items)

Heavy or oversized items are shipped via freight carrier. The following conditions apply to all freight deliveries:

- Delivery is curbside only. The freight carrier is not responsible for moving items inside your home or property.
- A signature is required at the time of delivery.
- **You must inspect all packages for visible damage before signing the delivery receipt.** Damage noted on the delivery receipt at the time of delivery is a required condition of any damage claim.
- If visible damage is present, note the specific damage in writing on the delivery receipt before signing. Failure to do so may limit or void your ability to file a damage claim with Oasis Garden and Patio.

1.5 Estimated Ship Dates

Shipping dates shown on product pages are estimates and are subject to change based on product availability and manufacturer lead times. Most in-stock orders are shipped within two (2) weeks of order placement.

Once the manufacturer accepts your order, we will send you a written confirmation of the updated Estimated Ship Date (ESD) by email. ESD timing varies by manufacturer and is not guaranteed. You will have **48 hours from receipt of that ESD confirmation email** to request changes or cancellations to an order already in production. For all cancellation options and windows, see Section 3.

2. DAMAGED ITEMS

Damage discovered at the time of delivery must be noted on the carrier's delivery receipt before you sign. You may refuse delivery of a visibly damaged item.

If damage is discovered after delivery, you must notify us within **24 hours of the delivery date**. Damage claims submitted after 24 hours will not be accepted.

To submit a damage claim, contact us at:

- Email: sales@oasisgardenandpatio.com
- Phone: 661-255-9909

Your claim must include your order number, a description of the damage, and supporting photographs. We will review and respond to all damage claims within **7 business days**.

Note: Oasis Garden and Patio reserves the right to deny damage claims that are not supported by documentation, that are submitted outside the 24-hour window, or where damage was not noted on the freight delivery receipt at the time of delivery.

3. CANCELLATIONS

Within 48 hours of placing your order: You may cancel by submitting a written request to sales@oasisgardenandpatio.com. Please include your order number in the subject line. Cancellations confirmed within this window will be processed with no penalty.

After 48 hours of placing your order (order in production): Once you have received an ESD confirmation email (see Section 1.5 for details on when this is issued), you have an additional 48-hour window to cancel or make changes, provided the order has not yet shipped. If the order has already shipped, it cannot be cancelled and the return policy will apply.

Cancellation requests received outside both windows will be reviewed on a case-by-case basis, but cancellation cannot be guaranteed. If the order cannot be cancelled, the standard return policy will apply, including any applicable restocking fees.

Restocking fees, where applicable, are disclosed on the individual product detail page. By placing an order, you acknowledge and agree to any restocking fee terms listed on that product page.

4. RETURNS
